

Field Supervisor

Blueweed Vegetation Control Services is locally owned and operated and has been serving the Alberta area since 1994. We specialize in providing vegetation control services to the oil and gas industry, utility companies, industrial plants, municipalities and various other commercial businesses and organizations. The business we are in is seasonal and is very busy in the peak periods from April thru September. We have full-time and part-time positions available.

Duties to include:

- assisting with interviewing and hiring new staff
- training, ongoing coaching and evaluating staff
- service coordination, site assessments and service checks / follow-up
- assisting in the application of weed control or vegetation control products
- service of existing and new accounts
- measuring and estimating
- regular maintenance of trucks and equipment

We supply:

- extensive paid training
- clean and safe work environment
- competitive wage and incentives
- room for advancement
- uniforms and any applicable safety gear
- positive and enjoyable work experience

You supply:

- industry experience and ability to train and lead
- positive attitude, strong work ethic, and excellent team skills
- flexibility to work around weather interferences (wind/rain) and ability to start early (5:30 AM)
- willingness to work long hours and weekends during weather interference or peak periods
- own transportation to and from shop (there is limited transit service)
- valid class 5 driver's license and a clean driving record

Wages and bonus programs:

- Starting wage ranges from \$17 - \$25 / hour depending on your experience, attitude and skills.
- We also have excellent incentive and year end bonus programs.
